NOTES

This is NOT an easy course, and it's also not an extremely difficult course. This is a moderate course that very closely replicates the trails at Big's Backyard Ultra in TN! The trail course is 100% singletrack and does have rocks and roots. The road course is NOT flat! Between the hours of 10am-8pm, runners will complete the 4.166667 mile trail lollipop course. This course has 400 ft of elevation gain and is 100% singletrack. The trail course is a lollipop and follows the Blue Mountain Trail and makes a right on Lead Mine Trail, then a left on Coursen Road and another left to get back on the Blue Mountain Trail to return to the start/finish. Between the hours of 8pm-6am, runners will complete the 4.166667 road out and back that also has 400 ft of elevation gain.
